Colour me in, I'm an Elf,
what colour do think my hat
should be?

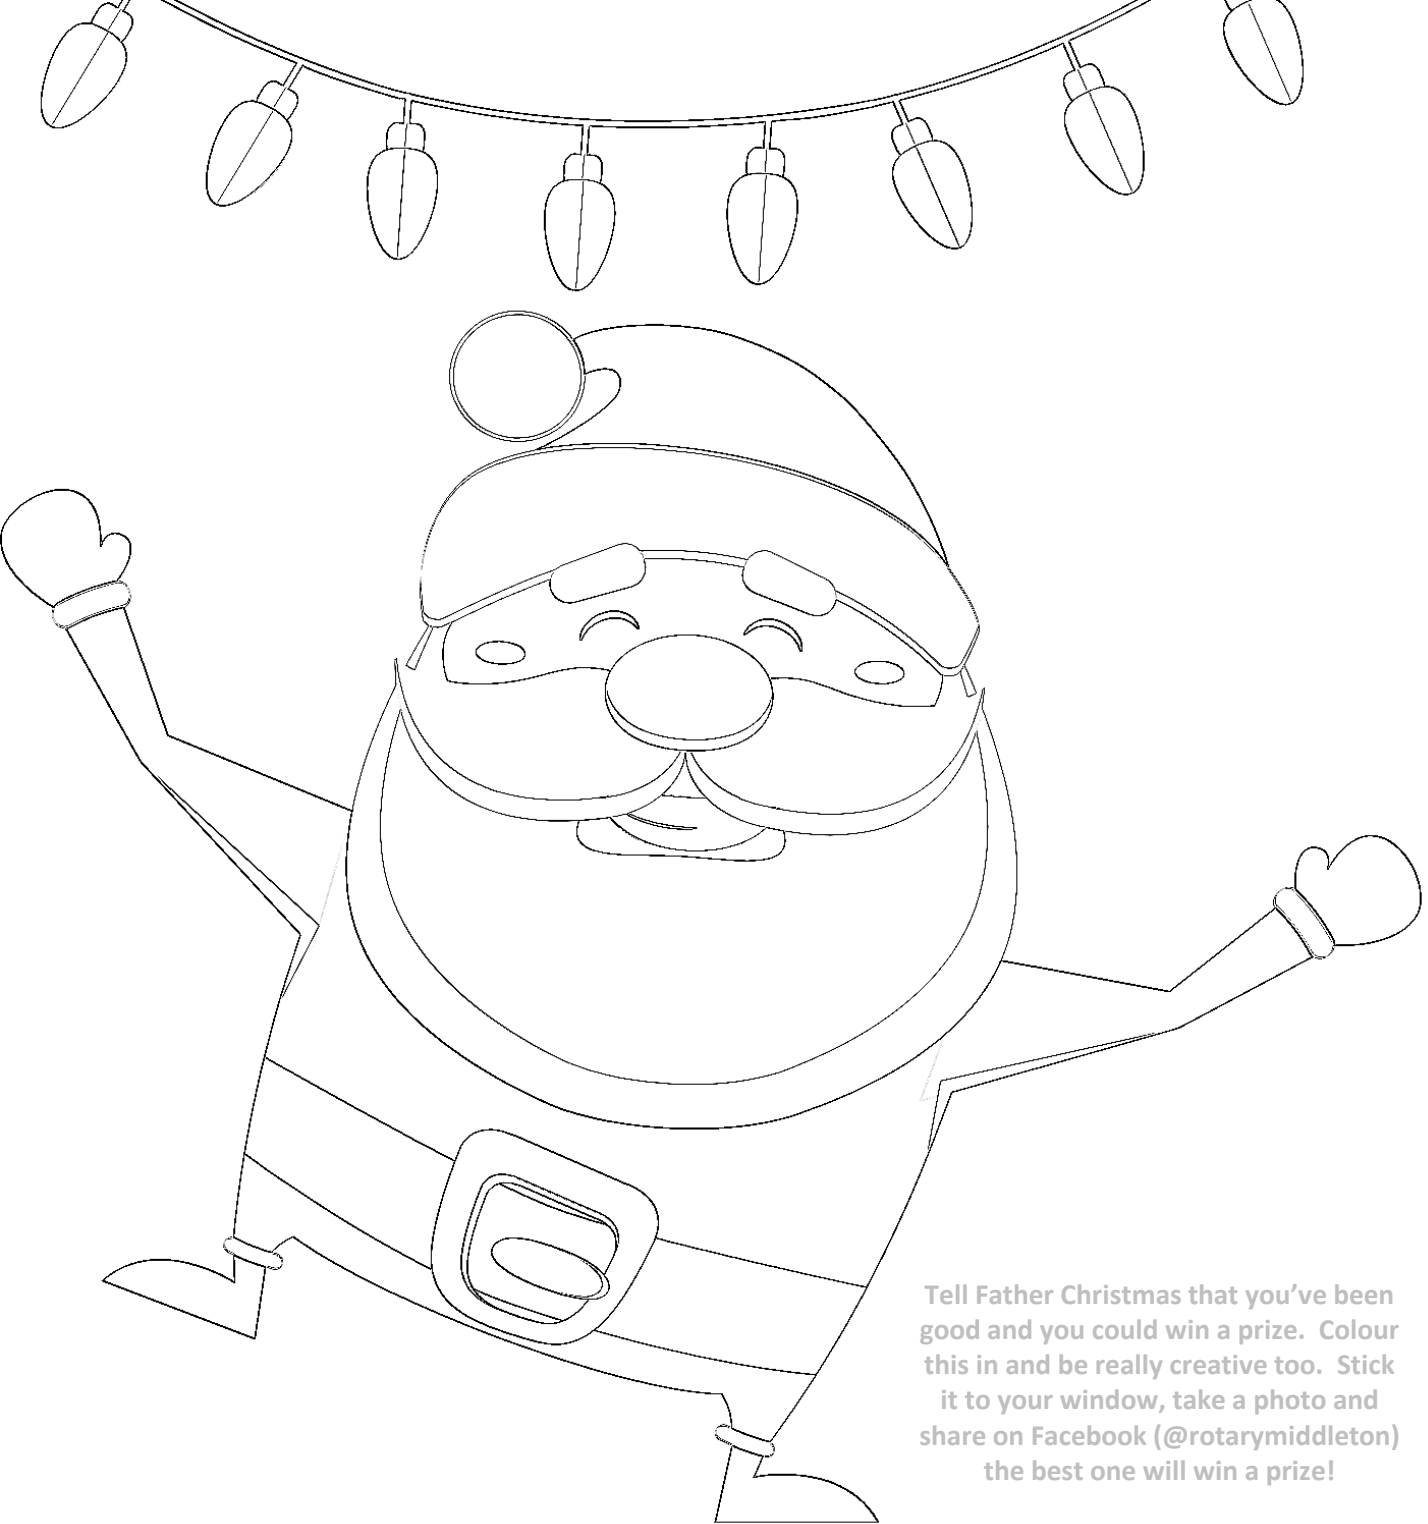

Did you know that elves are intelligent and highly skilled. They help Father Christmas to design and make toys and deal with the millions of requests children send Father Christmas every year. Without the Elves, Father Christmas would not have been able to make their Christmas dreams a reality. Hundreds of years later the original elves still work with Father Christmas at the North Pole. They make the magic of Christmas come alive every year for children around the world.

Please help me find Rudolph!

Rudolph has got out again! I saw him heading for the maze, please help me find him by tracing a path through!

Tell Father Christmas that you've been good and you could win a prize. Colour this in and be really creative too. Stick it to your window, take a photo and share on Facebook (@rotarymiddleton) the best one will win a prize!

I'VE BEEN GOOD!
